

YOUR BID PROFILE

Tell us about your firm once. We use it to write every bid for you, so you are never asked the same questions twice.

1. Save this PDF to your computer first, then open it in Adobe Reader, Edge, Chrome or Preview.
2. Fill in what you can. Click Save (Ctrl+S / Cmd+S) any time and come back to it later.
3. Leave out anything you don't have. We'll tell you if it matters for a tender.
